Hello Leo,

It was nice meeting you at the BID Consortium meeting last week. Thank you for the presentation, it was very informative.

I wanted to follow up with you about getting access to the data that showed the location of all the trashcans.

I am particularly interested in Wilshire Center BID area (Wilton to Hoover and 3rd to 8th Street).

Can you please let me know if that is something I can get access to or that you can provide me?

Thank you,
Mike Russell
